

**ROBSEN**

# MECHANICAL DESIGN ENGINEER INTERN

[www.robsenrobotics.com.tr](http://www.robsenrobotics.com.tr)

GOSB Technopark

## Qualifications

*mechanical design*

*engineer*

*master's degree*

*open to learning*

*remote*

*intern*

*japanese*

*part-time*

*7+ years of experience*

*pilot licence*

*long term*

### Robotics

You are highly motivated with a passion for robotics. Visit our website and explore our projects!

### 3D Design

You can conceptualize and design mechanical parts using 3D CAD Software (esp. SolidWorks).
